Regional College 

**Animal  
Management**  
Level 3

## Location

Ballymoney  
Newtownabbey

## Mode

Full-time

## Duration

2 Years

### Entry Requirements

Applicants should have at least 4 GCSEs Grade C or above, or a Level 2 Diploma in Animal Care or equivalent.

### Progression

On completion of this course you can apply for jobs in the animal care industry or progress to study a Level 5 of above animal management course at university or College.

### About this Course

This course is designed to develop your knowledge and skills, to prepare you for a career working and managing animals. Practical experience is an essential learning component within this course and will consist of caring for animals in the College and 300 hours work placement.

#### Units include:

- ▷ Understand and promote animal health
- ▷ Manage animal accommodation
- ▷ Understand animal anatomy and physiology
- ▷ Plan and monitor animal feeding
- ▷ Understand the principals of animal biology
- ▷ Understand animal handling and safe working
- ▷ Undertake and review work-related experience in the land-based industries
- ▷ Undertake an investigative project in the land-based sector
- ▷ Business management in the land-based sector
