

HELLO NORTHERN REGIONAL LLEGE

Congratulations on taking the next step towards building on your education and developing vour future career. We have carefully selected each of the courses listed in this guide as programmes that offer real value to our students and are relevant to the needs of employers or to progression within education. Whether you are a recent school leaver, or you are returning to study after time away, this guide summarises the excellent opportunities available across our six campuses.

Whilst at the College you will most closely interact with our professional teaching staff. All of our lecturers have specialist expertise in their subject areas and many continue to work as professionals in industry. This connection with industry is important to us and as a College we work closely with businesses to ensure our provision is relevant and reflects the needs of employers. No matter what subject or qualification you choose, your course will be geared towards helping you to enhance your career prospects.

If you already know what subject you are interested in you will find more detailed information on our website, so please make sure you visit www.nrc.ac.uk to find out more.

If you are still trying to decide on what to do next please make use of the careers service we offer across our campuses. Why not come in and talk to one of our careers advisors who can discuss the options available to you? We would be delighted to see you.

I hope you find this guide useful and informative – and I look forward to welcoming you as student of Northern Regional College in September 2017.

Lever Scott

Professor Terri Scott Principal/Chief Executive

At Northern Regional College you can shape the direction of your education and career. Our range of qualifications and wide selection of subject areas gives you choice in your learning. Whether you want to work towards a trade or progress to university you will find a course for your needs.

We offer Apprenticeships, GCSE equivalent courses (Level 2 BTEC Diploma) and A Level equivalent courses (Level 3 BTEC Extended Diploma) and Access to University courses.

# Excellent quality of teaching and learning

Many of our lecturers continue to work as industry professionals and offer extensive knowledge and experience of their specialist area.

### Practical work-based structure

All courses are designed to provide you with the skills required to meet the needs of employers.

Apprenticeships provide the opportunity for paid employment while you study.

### **Flexibility**

We offer students excellent levels of qualifications and pathways which can lead to university entrance

### Financial Support

You may be eligible for a travel pass or other financial support such as EMA, hardship grant, childcare assistance.

Open Days are a great opportunity to visit your local campus, speak to our friendly staff and find out more about our courses and facilities.

### Learning Online

**FACILITIES** 

A professional advice and guidance service is available to all students. Whatever your career aspirations, our careers team are available to help you with career planning, job applications or completing your College or UCAS application.

### **Education Support**

Student

We provide a comprehensive package of support mechanisms to enable students with a medical condition, learning difficulty and/or disability to participate and progress with their studies at the College.

### **Counselling Services**

Beginning any new course can be a stressful time. Professionally trained Counsellors are available to help students with any issues they may have.

Teaching methods may include:

Guest lectures from industry professionals or specialists

One-to-one sessions with your tutor

Workshops

Independent study

Design studio work

Case studies

Visits e.g. to museums and exhibitions or into industry

Laboratory work

Directed learning

**Productions** 

Assessment methods may include:

Formal examinations

Practical exercises

Reports

Observation of skills

Written

assignments

Real-life industry projects

examinations

Case studies

Presentations

Reports

Essays

### **Industrial Visits**

We have excellent industrial links with local, national and international employers who provide students with valuable **seminars**. visits and placement opportunities.

Your online account will allow you to track the status of your application and check your details and course offer.

If you need any help with your online application email admissions@nrc.ac.uk

FEES AND FUNDING

Student must pay an amenities fee of £25 (This does not apply to Training/ Apprenticeships) when enrolling on a full-time course.

A range of financial support is listed here. Please check the eligibility criteria and closing dates.

For further information contact Student Finance on 028 2563 6254.

### **EMA**

For Further Education students aged between 16 and 19 on 7 or between 2 July and 1 July. This award is means-tested on household income and students may receive payment of £30 per week.

### **Travel Pass**

Students must be 18 or younger on 1 July and on a full-time Further Education course. Other criteria and age restrictions may apply and you should contact your local Education and Library Board for further information.

# Further Education Award

Students must be 19 or older on 1 July. This is a meanstested award for full-time students and usually has a closing date.

### Hardship Grant

Students must be 18 or older at the start of the academic year. Assistance is means-tested and students must have applied to all other sources of finance that are available to them in the first instance. This fund is administered by the College.

# Care to Learn Scheme

If you have care of a child then you may be able to get help with childcare and travel costs. You must be aged between 16 and 19 at the start of the course.

This fund is administered by the College.

## **Childcare Assistance**

Help with childcare costs may be available to both further and higher education students through Student Finance NI.

# Other sources of help

There may be other sources of support available to you, such as free school meals, Disabled Student Allowance, Parents' Learning Allowance etc. Please refer to our website for further details.
