

NORTHERN
Regional College 

Course Guide
(Level 1 to 3)
2018/19

Welcome

Congratulations on taking the next step towards building on your education and developing your future career. You are joining the College at an exciting period of transformation as we progress through our Campus 21 development plans.

We have carefully selected each of the courses listed in this guide as programmes that offer real value to our students and are relevant to the needs of employers or to progression within education. Whether you are a recent school leaver, or you are returning to study after time away, this guide summarises the excellent opportunities available across our six campuses.

Whilst at the College you will most closely interact with our professional teaching staff. All of our lecturers have specialist expertise in their subject areas and many continue to work as professionals in industry. This connection with industry is important to us and as a College we work closely with businesses to ensure our provision is relevant and reflects the needs of employers. No matter what subject or qualification you choose, your course will be geared towards helping you to enhance your career prospects.

If you already know what subject you are interested in you will find more detailed information on our website, so please make sure you visit www.nrc.ac.uk to find out more.

If you are still trying to decide on what to do next please make use of the careers service we offer across our campuses. Why not come in and talk to one of our careers advisors who can discuss the options available to you? We would be delighted to see you.

I hope you find this guide useful and informative – and I look forward to welcoming you as student of Northern Regional College in September 2018.

Professor Terri Scott
Principal & Chief Executive

Study at Northern Regional College

At Northern Regional College you can shape the direction of your education and career. Our range of qualifications and wide selection of subject areas gives you choice in your learning. Whether you want to work towards a trade or progress to university you will find a course for your needs.

We offer Apprenticeships with, GCSE equivalent courses (Level 2 BTEC Diploma) and A Level equivalent courses (Level 3 BTEC Extended Diploma) and Access to University courses.

Excellent quality of teaching and learning

Many of our lecturers continue to work as industry professionals and offer extensive knowledge and experience of their specialist area.

Practical work-based structure

All courses are designed to provide you with the skills required to meet the needs of employers.

*For details of our Training/Apprenticeships visit our website or collect a Work-based learning course guide from any campus reception.

Financial Support

You may be eligible for a travel pass or other financial support such as EMA (Education Maintenance Allowance), hardship payments, childcare assistance. Student Finance staff are available to advise you on other types of financial support you could access while at the College.

See website for details.

Modern equipment and facilities

All subject areas are delivered with the latest equipment and facilities to meet industry standards.

Progression

Our courses offer excellent progression routes. Qualifications are available from Level 1 through to Level 6 (Higher Education), all within the College. You can move onto more advanced qualifications in the same subject or into new areas.

Excellent industry links

The College has excellent links with local, national and international employers who provide students with valuable placement opportunities, guest lectures and site visits.

Open Days

Open Days are a great opportunity to visit your local campus, speak to our friendly staff and find out more about our courses and facilities.

Our Campuses

Facilities

Libraries

Each campus has its own library with access to PCs, 35,000 printed books, over 500 e-books and 20,000 electronic journals. Dedicated library staff will support you in using the library and in finding the resources you need to succeed on your course.

Teaching Facilities

You will be taught with the equipment and facilities needed to provide you with a high quality learning experience in your subject area. Our campuses are equipped with everything from standard teaching rooms to a wide variety of specialist equipment including engineering, sports and fitness, car maintenance, beauty, graphic design and science laboratories.

Learning Online

Each campus has access to computers and printers. You will also be able to access the College off-campus through the student portal and with a College email address. Many subject areas also deliver teaching online which you can access on or off campus.

Canteen

Each campus has a canteen offering a selection of affordable snacks, sandwiches and meals. Meal deals, daily specials and healthy options are available throughout the week.

Seating Areas

Comfortable seating areas are available around the campuses for meeting friends and relaxing outside of class.

Free Wi-Fi

Free Wi-Fi is available at each campus. There are also designated Wi-Fi hotspots in each library for personal devices.

Students' Union

All College students automatically become members of the Students' Union. The Union is responsible for representing the views of all students. You and your fellow students will elect someone in your class to be your representative and to feed back your views to the Students' Union and the College at various times throughout the year. The Union is run by the Students' Union Council and is affiliated to the National Union of Students/ Union of Students in Ireland (NUS-USI).

As a member of the Students' Union, you will be able to:

- ▶ Put yourself forward for election as class representative
- ▶ Vote in College elections and attend meetings
- ▶ Have your opinion heard across College through your class representative (if this isn't you)
- ▶ Stand for election for Students' Union Officer posts if you are a class representative
- ▶ Sit on College committees as deemed appropriate by the Students' Union/College

Supporting Students

Careers Advice and Guidance

Our professional careers advice team will work with you throughout the academic year to help with career planning, job applications, interview skills and university applications such as UCAS and Central Applications Office (CAO).

Education Support

We offer comprehensive education support tailored to your specific needs in order to ensure you have the support to attend College and to succeed on your course. If you are unsure about the support we can offer, we can offer transition visits prior to starting your course which will provide a personal review of your needs.

Counselling Services

Beginning a new course can be a stressful time. There may be occasions where you may need to speak to someone outside of your course about issues affecting you. Our College counselling service is available 24 hours per day, 365 days per year and is staffed by professionally trained counsellors who you can talk to on the phone or in person. Group counselling is also available.

How you will learn

Teaching and assessment methods vary but most courses are taught through traditional lectures and practical sessions. You may be taught on campus, by eLearning, or a combination of both (blended learning).

Teaching methods may include:

- ▷ Guest lectures from industry professionals or specialists
- ▷ One-to-one sessions with your tutor
- ▷ Workshops
- ▷ Case studies
- ▷ Directed learning
- ▷ Independent study
- ▷ Visits e.g. to museums and exhibitions or into industry
- ▷ Productions
- ▷ Design studio work
- ▷ Laboratory work

Assessment methods may include:

- ▷ Formal examinations
- ▷ Practical exercises
- ▷ Coursework
- ▷ Online examinations
- ▷ Written assignments
- ▷ Reports
- ▷ Essays
- ▷ Case Studies
- ▷ Reports
- ▷ Observation of Skills
- ▷ Real-life industry projects
- ▷ Presentations

Industrial Visits

We have excellent industrial links with local, national and international employers who provide you with valuable seminars, visits and placement opportunities.

Digital Learning

On many of our courses teaching is delivered partly online and can be completed at home or on campus. We have invested heavily in online teaching facilities and computer equipment to provide our students with a high quality learning experience.

We are continually refining, expanding and enhancing our online course delivery, offering the flexibility of studying parts of your course online. This means you can:

- ▶ Access course material online 24/7
- ▶ Learn in virtual classrooms
- ▶ Experience interactive and engaging online programmes
- ▶ Enhance and develop your digital skills
- ▶ Balance study, work and family commitments

Qualifications

Access to University

-  Studied over 1 year, full-time
-  A modularised course which is set at A level standard.

Level 3 BTEC/Cambridge Extended Diploma (A Levels equivalent)

-  Equivalent to 3 A Levels
-  Studied over 2 years, full-time
-  Practical work related course
-  Provides progression to Higher Education courses at Colleges and/or universities.

Level 3 BTEC Subsidiary Diploma

-  Equivalent to 1 A Level
-  Studied over 1 year, full-time
-  Practical work-related course
-  Successful students automatically progress to the second year of the Level 3 BTEC Extended Diploma.

Level 3 BTEC 90 Credit Diploma

-  Equivalent to 1.5 A Levels
-  Studied over 1 year, full-time
-  Practical work-related course
-  Successful students automatically progress to the second year of the Level 3 BTEC Extended Diploma.

Level 2 BTEC Diploma (GCSE equivalent)

-  Equivalent to 4 GCSEs at Grade C or above
-  Studied 1 year, full-time
-  Provides progressions to Level 3 course.

For details of our Training/Apprenticeships visit our website or collect a Work-based learning course guide from any campus reception.

Level 5	<p>Level 4 and 5 are Higher Education level courses. See our Higher Education course guide or view courses online for further details.</p>		

* Although students would have to display evidence of maturity and the ability to benefit from the course. Students are advised that this course is best suited to the needs of adults and mature students. Applicants will be assessed to ensure they have sufficient literacy and numeracy skills, but we do advise checking with universities to see if GCSEs are required. Please note that every effort has been taken to ensure that this course guide was correct at the time it was printed. However, whilst every effort is made to run all of the courses in this course guide, the college reserves the right to review or cancel courses if they prove to be non-viable for any reason which lies outside its control.

How to Apply

You can apply online NOW for September 2018 entry.

Applications are made through our website

www.nrc.ac.uk

follow these steps:

Step One 

-  Visit
-  Find
-  Login
-  Apply
-  Information Event
-  Offer
-  Results

Visit **www.nrc.ac.uk**

Step Two 

-  Visit
-  Find
-  Login
-  Apply
-  Information Event
-  Offer
-  Results

Find the course you are applying to and add it to the basket.

Step Three

- Visit
- Find
- Login**
- Apply
- Information Event
- Offer
- Results

Create an account with a unique login using a personal email address and password (do not use your school email address). You must check this email account regularly for updates and communications about your application.

Step Four

- Visit
- Find
- Login
- Apply**
- Information Event
- Offer
- Results

Complete and submit your application. You will receive an automatic reply by email.

Step Five

- Visit
- Find
- Login
- Apply
- Information Event**
- Offer
- Results

You will be invited to attend an information event. It is essential you check your personal email account on a regular basis as this will be the only method of communication; alternatively you can login to the admissions portal to check details.

Step Six

- Visit
- Find
- Login
- Apply
- Information Event
- Offer**
- Results

Applicants who attend an information event may be made a conditional offer based on meeting the entry criteria of the course. In a small number of courses, enhanced criteria may be used in instances of over subscription to courses. Where this occurs, enhanced criteria will be published in advance.

Step Seven

- Visit
- Find
- Login
- Apply
- Information Event
- Offer
- Results**

If you have been issued with an offer (unconditional or conditional) you will be invited to the College to enrol at a specific time and date. If you have not met the conditions of your offer, you will be signposted to an alternative course. It is important you attend your appointment. If you no longer wish to take up your place at the College, you can withdraw your application at any time via the admissions portal.

If you need any help with your online application email admissions@nrc.ac.uk

Fees and Funding

The College has a dedicated Student Finance team who can provide you with support and assistance with applying for funding to support your studies and in accessing any additional College funds.

Where courses have additional mandatory expenses we make every effort to highlight them in the online prospectus. These may include uniforms, kits, IFA registration, residential visits, field trips, materials, security checks, computer equipment.

For further information contact Student Finance on 028 2563 6254.

EMA

For Further Education students aged between 16 and 19. This award is means-tested on household income and students may receive payment of £30 per week.

Travel Pass

Students must be aged 18 or younger on 1 July and on a full-time Further Education course to apply for a Travel Pass or travel allowance. Other criteria and age restrictions may apply and you should contact the Education Authority for further information.

Further Education Award

Students must be 19 or older on 1 July. This is a means tested award for full-time students and usually has a closing date. Early application is recommended. Other criteria and age restrictions may apply and you should contact the Education Authority for further information.

Hardship Grant

Students must be 18 or older at the start of the academic year. Assistance is means tested and students must have applied to all other sources of finance that are available to them in the first instance. This fund is administered by the College. Application criteria are available upon request.

Care to Learn Scheme

If you have care of a child then you may be able to get help with childcare and travel costs. You must be aged between 16 and 19 at the start of the course. This fund is administered by the College.

Childcare Assistance

Help with childcare costs may be available to both further and higher education students through Student Finance NI.

Other Sources of Help

There may be other sources of support available to you, such as free school meals, or the Disabled Student Allowance. Please refer to our website for further details.

Entry Requirements

Level 1 Diploma

No formal entry requirements.

Level 2 BTEC Diploma

4 GCSEs Grade D-G or above, or equivalent.*

Level 3 BTEC 90 Credit Diploma/ Subsidiary Diploma/ Extended Diploma

4 GCSEs at Grade C or above, or equivalent*

Access to University

Must normally be 19 years of age or over at the date of entry to the course. Must provide evidence of basic competence in written, oral communication and numeracy skills. Students are asked to undertake a short, written assessment.

Accreditation of Prior Experiential Learning

Where mature students wish to have prior education and/or experience taken into account, in lieu of meeting the full course entry requirements, they should contact the relevant Course Director by 13 August, as an application deadline will apply. Applicants must also refer to further details available online.

*Some courses may vary. **Check our website for the specific entry requirements for each course.**
